No. XXXIV-08/2021 718 /Rev-II., Date 29/4/2021

Rev

04.05.21

From

Dr. B.K. Upadhyaya, IAS,
Secretary.

To

All Collectors.

Sub: Re-organisation of R.I. Circles in the State.

Sir,

You are aware of the fact that for transformative, effective and timely public service delivery, adequate presence of field functionaries is crucial. For the 51,704 villages in the state, earlier there were 2279 Revenue Inspector circles. Govt. vide Notification No.8526 dated 19.02.2020 had created 433 new RI circles. Even after this, number of villages per RI circle on an average is 19 at the State level. It is necessary to have one RI circle per 10 villages on an average to meet the objectives of timely public service delivery.

As directed by Chief Secretary, Govt. of Odisha in the video conference held on 16.04.2021 the RI circles constituting more number of villages should be bifurcated, taking into consideration distance, geographical barrier, population etc and be reorganized considering these factors with the approval of concerned RDCs as per prevalent guidelines of Government in Revenue & Disaster Management Department and be communicated to Board of Revenue, Odisha.

This may be treated as **'MOST URGENT'**.
