Sir,

In inviting a reference to the subject & letter
cited above, I am to say that the Auditor conducting audit
presently in Shubaneswar Tahasil has reported about non-collection
of rent in case of conversion of agricultural land for non-
agricultural purposes as per Rule-3(A) (3) and Rule-12(5) of
C.L.R. Act, 1993 read with amendments from time to time, thereby
resulting in loss of revenue.

In this connection, the relevant provisions and
amendments made from time to time are outlined below.

As per Para-4(a) CLR (General) Amendment Rules, 1997,

similar non-agricultural lands in the vicinity
and intimate to the person who has so converted the
agricultural lands in the vicinity for purpose
other than agriculture or the transferee, as the
case may be to deposit the amount of such premium
and land revenue in full within thirty days."
