GOVERNMENT OF ODISHA
HEALTH & FAMILY WELFARE DEPARTMENT
***

No. Bld.3/2013 18454 /H, Dtd. 22.6.13

ORDER

With a view to provide better health care services to the people, all out efforts are being made by the Govt. for strengthening / creation of health infrastructure in various health institutions of the State. To achieve this objective, funds are being mobilized from various sources like NRHM, OHSP, 13th Finance Commission besides states' own resources. The completion of these projects within a stipulated time is the need of the hour.

It is often found that the grounding of the projects are getting delayed due to non settlement of land in favour of concerned institutions. In order to quicken the process and avoid any possible delay in the transfer of land, Govt. have been pleased to authorise the concerned Chief District Medical Officers / District Ayurvedic Medical Officers / District Homoeopathic Medical Officers to file land alienation applications before the competent Revenue Authorities in respect of the works to be taken up in the health institutions under their respective administrative jurisdiction.

By order of Principal Secretary to Govt.
