Sub: - Handing over of all Un-auctioned Minor Mineral sources.

Sir,

In inviting a reference to the above cited subject, I am directed to say that OMMC (Amendment) Rules, 2023 has been gazetted on 25.04.2023 containing provisions for conduct of e-auction and generation of e-transit pass on i4MS platform.

Those sources for which Tahasildars have conducted auction most probably up to 31.03.2023 may be handed over after rendering those to operational status.

The unauctioned sources with physical files may also be handed over to DDMs/ M.Os for early taking up of those sources for e-auction at their levels.

Tahasidars may be impressed upon to complete this exercise latest by 15th may, 2023 unfailingly.

This may be treated "utmost urgent".

Yours Faithfully,
