Ref: - 1. Home Department Resolution No. 11323/Poll dated 14th May, 1963/ Resolution No. 9736 dated 11th April, 1964/ Resolution No. 20827 dated 7th July, 1969/ Resolution No. 4741 dated 6th February, 1970/ Resolution No. 59216 dated 24th October, 1986/ Resolution No. 25219 dated 30th May 2003/Resolution No. 37613 dated 11th August, 2009

2. All G. Os issued by Home Department and Revenue & DM Department in pursuance of the aforesaid Resolutions

As per the decisions communicated in Home Department Resolutions of 1963, 1964 and 1969, Government agricultural land up to 5 acres are being given under Government Grants Act, 1895 to Jawans who served in forward areas during China aggression from 26th October, 1962 to 31st January, 1964. Subsequently, on the request of Home Department, the erstwhile Revenue & Excise Department made provision for allotment of Government agricultural land up to one standard acre in favour of landless ex-servicemen and landless Gallantry and non-Gallantry award winner Defence personnel up to Non-commissioned Officer rank under the said Act vide G.O No 19513 dated 16.04.1998 and No. 40743 dated 11.8.1998. While making such provision for grant of land, Revenue & Excise Department in the aforesaid letters had requested Home Department for award of monetary grant in lieu of land in favour of Gallantry award winner and non-Gallantry award winner Defence personnel, if land is not available. The Home Department after taking into consideration the aforesaid views of

Revenue Department issued a Resolution bearing No 25219 dated 30.5.2003 wherein provision of monetary grant in lieu of land was made in favour of Gallantry award winner Defence personnel. The provision of monetary grant in lieu of land was made due to the reason that it was becoming difficult to allot agricultural land due to paucity of land.

2. Now, the situation with regard to availability of land has further worsened with passage of time. It has become difficult to find Government land for implementation of projects even for developmental purposes funded from the State exchequer. In many occasions, land reserved for specific purposes in RoR are now required to be de-reserved for other public purposes. Because Revenue & DM Department has not been able to meet the requirement of land for Administrative Departments, a policy for direct purchase of private land for social development projects has, meanwhile, been formulated and communicated in Revenue & DM Department letter No. 26223/R & DM dated 6.7.2013.

3. Therefore, in supersession of all previous Resolutions/ instructions issued by Home Department in this regard from time to time, Government after careful consideration, have been pleased to decide that monetary grant in lieu of agricultural land shall be given to the eligible Jawans who served in the forward areas during the period from 26th October, 1962 to 31st January, 1964, and landless ex-servicemen. The amount of monetary grant in lieu of agricultural land in each case shall be as indicated in column 3 of **Annexure- I**.

4. The Government have also been pleased to decide to continue to give only cash rewards to members of the Armed Forces every time for winning Gallantry and Non-gallantry awards at the rates as mentioned in column 3 of **Annexure-II**. Government of Orissa
Revenue & Excise Department

No (GL)-S-123/86-48798 /R.,

Dated, Bhubaneswar, the 2-8-96

From

Shri B.K.Rout, O.A.S.,
Joint Secretary to Government.

To

The Secretary,
Board of Revenue, Orissa, Cuttack.

Sub: Clarification on allotment of land to ex-servicemen.

Sir,

I am directed to say that as per Home Department Resolution No.11323 dated 14.5.1963 and No.20827 dt.7.7.1969 Jawans who have served in the forward areas during the period from 26.10.1962 to 31.1.1964 are eligible for settlement of Government waste land upto 5 acres free of premium.

According to provisions in the O.G.L.S.Act and Rules Jawans as such do not qualify for settlement of Government land. Besides settlement of Government waste land for agricultural purpose with any one can not exceed one standard acre. So according to the O.G.L.S.Act and Rules made thereunder a Jawan as such is not eligible for settlement of agricultural land. Some Collectors have rightly expressed doubts regarding settlement of land with Jawans.

Since it is not possible for settlement of Government waste land upto 5 acres with the Jawans in terms of the aforesaid resolution of the Home Department within the existing provisions of O.G.L.S.Act and Rules thereunder Government after careful consideration have been pleased to decide that such settlement shall be made within the ambit of Government Grants Act, 1895, keeping in view the nature of concession as a reward.

Under Government Grants Act, 1895 sanction of Government land is to be done, by the Government. There would be considerable delay if all such cases are referred to Government for sanction. In consideration of this difficulty it has further been decided that Tahasildars will be competent to settle land with aforesaid category of Jawans under the provisions of the Government Grants Act, 1895, conferring the status of a raiyat as defined under the O.L.R.Act, 1960.

Yours faithfully,

Joint Secretary to Government.

Government of Orissa
Revenue & Excise Department

No. GE (GL)–S–141/92–39877/R.,
Dated, Bhubaneswar, the 5th Aug. 1992.

From,

Shri N. K. Baliarsingh, I.A.S.,
Addl. Secretary to Government.

To

The Secretary, Board of Revenue, Orissa, Cuttack.

Sub. : **Concessions in the matter of land provided to Jawans.**

Sir,

I am directed to say that as per Home Department Resolutions No. 11323/ Poll dt. 14.5.1963 and No. 20827/ Poll dt. 7.7.1969 the defence personal who have served in the forward areas during the period from 26.10.1962 to 31.1.1964 were eligible to get 5 acres of land free for agricultural purpose as reward in consideration of the sacrifice rendered by them for the motherland. A large number of Jawans have been benefited under above instructions of Government in the matter of allotment of land.

2. It has come to the notice of Government that in a number of cases, the Jawans who have been settled with agricultural land are disposing of the same on sale or otherwise. This defeats the benevolent purpose of the Scheme. Under Section–6 A (1) of the Orissa Land Reforms Act, 1960 any transfer by raiyat of any land which has been settled with him for agricultural purpose under the permanent lease from Government shall, if such transfer is made within 10 years from the date of such settlement without obtaining the previous permission in writing of the Revenue Officer, be void. Therefore any such case detected should be firmly dealt with under the said Section of the O.L.R. Act.

3. In some cases it is found that the land settled with the Jawans for agricultural purpose are being transferred for the purposes other than agriculture. Such use of the land affects the provisions of Section-8 of the Orissa Land Reforms Act, 1960. Such cases when detected should also be dealt with properly.

4. All concerned are intimated accordingly.

Yours faithfully

Sub. : Grant of land concessions to Jawans Clarification regarding.

Sir,

I am directed to invite rference to the D.O. letter No. 11384 dated 30-12-87 and D.O. letter No. 1372 dated 20-2-88 from A.D.M., Puri ending with his last D.O. letter No. 1735 dated 3-3-89 on the above subject and to say that as per Home Department Resolution No. 20827-POLL dated 7.7.1969, the facility of settlement of land will be available only to such personnel who are "landless". As defined in the said G.O., a person shall be deemed to be landless if the total extent of his land alongwith the land held as a tenant or raiyat by all members of his family living with him in one mess in less than 5 acres. It is, therefore, not necessary to define "family" since person eligible for land has been defined clearly in the said G.O. of Home Department which envisages that land held by all members of the family living in one mess shall be taken into account for determination of eligibility or otherwise of the person (Jawan). This presupposes that a family means or include father, mother, brothers, sisters, self and his /her spouse and their children living and enjoying immovable assets of their own or by way of succession as per the succession Act, unless separated in accordance with law. So far the purpose of computation land owned by all these family members of Jawans if the family is not partitioned should be taken into consideration and eligibility of Jawan for allotment of land under the aforesaid G.O. is to be determined.

2. As per Home Department resolution cited above, land is to be alloted in favour of the Jawans who served in the forward areas during the period from 26-10-1962 to 31-1-1964. In such cases no income criteria has been prescibed and so the question of assessing other profitable means of livelihood does not arise. In these cases, the Tahasildars have been empowered to sanction Government land under the Government Grants Act — 1895 as per Revenue Department Circular letter No. 48798/R., dated 2-8-86.

But under the O.G.L.S. Act, 1962 lands are to be given to the landless ex-Servicemen who have no profitable means of livelihood. The annual income of a person together with the annual income of all the members of his family from all sources if exceeds Rs. 3,600/- or any amount as may be notified by Government from time to time may be treated as profitable means of livelihood as has been described in the definition of a "homesteadless" person in Rule 2 (1) (dd) of Orissa Government Land Settlement (Amendment) Rules-1987. As such, the annual income of an ex-serviceman from all sources, if exceeds Rs. 3,600/- he will come under ineligible category for settlement of land under the O.G.L.S. Act, 1962.

3. All concerned are being informed accordingly.

Grant of land concession to Jawans–clarification regarding.

I am directed to say that as per Home Department Resolution No. 20827-Poll, dt. 7.7.1969, the quota of settlement of land will be available to only such personal who have served in the forward areas during the period from 26.10.1962 to 31.1.1964. It has come to the notice of Government that persons eligible to avail the concessions mentioned in the above cited G. O. of Home Department are filing applications for allotment of land in and around Urban areas like Bhubaneswar and other district headquarters. But the intention of the aforesaid G. O. is to provide land in their own village or in neighbouring villages and not in and around urban areas outside their native places. So, such persons shall be eligible for settlement of Govt. land in their own or adjoining villages and not elsewhere. But the above instruction will not have any effect on the settlement of land already made with the Jawans in pursuance of the aforesaid G. O. of Home Department.

CIRCULAR NO 57781

GRANT OF CONCESSION TO HOLD LAND RENT-FREE TO THE OFFICERS AND JAWANS (BELONGING TO ORISSA) PROCEEDING TO THE FORWARD AREAS

Dated 6.9.1966

Sir,

I am directed to invite a reference to the Resolution No. 11323 Poll. dated the 14th May, 1963 of the Home Department on the subject noted above and to say that para 3(e) of the aforesaid Resolution provides that if any of the Officers or Jawans have any land in the State, all such land will be rent-free for the duration of active service and will continue rent-free if the Officers or Jawans owning the lands are killed or disabled in course of their duties in the operational areas. A doubt is entertained about the extension of rent-free concessions in respect of their lands recorded in the name of the father of the family members or jointly with others. After careful consideration of the above matter, Government are pleased to clarify that the rent-free concessions extend to lands owned by and recorded in the name of the Officer or Jawan eligible under the aforesaid Resolution. In other words, lands recorded in the name of the father or other family members or jointly with others cannot be exempted from payment of rent, as the liability is not fixed squarely on the Officer or the Jawan.

OOO

CIRCULAR NO. 3042-R.

SUBJECT :- Exemption of court fees, process fees, measurement fees to Jawans

Dated 16.1.1968

Sir,

I am directed to invite a reference to paragraph 3 of your letter No. 1167-Rev. dated the 22nd March, 1965 on the subject noted above and to say that the sub-paragraph (d) of paragraph 3 of Resolution No. 11323-Poll., dated the 14th May, 1963 of Home Department states that each person on return will get 5 acres of land free and made ready for

cultivation at Government cost. A doubt has arisen if the aforesaid word "free" means free of premium only or free of all the dues like court fees, process fees and measurement fees which an applicant for lease is liable to pay.

2. After careful consideration of the matter Government are pleased to clarify that each Jawan or Officer on return will get 5 acres of land free of premium only and not of anything else. In other words the Jawan or the officer will be liable to pay all other normal charges like court fees, process fee, measurement fee according to approved lease principles for lease of lands.

3. Government however desire that since it may not be possible for the army personel who are staying in forward areas to affix court fees stamps, application from them without court fees, stamps may be accepted in the fast instance. The applicant or his authorsed representative (whose full address should be given in the application) will be required to affix court fee stamp towards application and process fees, on receipt of notice from the Tahasildar within the prescribed date failing which its application will not be taken into consideration and filed.

4. All concerned are being informed.

OOO

CIRCULAR NO. 49047

Sub : Facilities to Officers and Jawans (belonging to Orissa) of the Territorial Army and Military Police who would be proceeding to forward areas

Dated 29.7.1968

Sir,

I am directed to invite a reference to your letter No. 5013-Rev. dated the 4th December, 1963 on the subject noted above and to say that Government orders regarding procedure to be followed in the reclamation of land for settlement with Jawans and fixation of maximum limit for cost of reclamation have been communicated to you in this Department letter No. 30579-R., dated the 8th May, 1965.

2. As regards category of dues to be waived I am to say that waiver of any dues outstanding against Jawans specified in para 2 of the Resolution No. 11323 Poll. dated the 14th May, 1963 of the Home Department arise only after the Jawans concerned are disabled or killed in action. However until such a contingency takes place, all proceedings for recovery of any money due to State Government or Government agencies outstanding against these Jawans should be stayed, except in case of realisation of criminal fines. It is not possible to stay all proceedings for realisation of criminal fines started in due course by the courts concerned in accordance with the relevant provisions of the Code of Criminal Procedure as there is no statutory provision. Therefore, the question as to whether, in any particular case, it would be possible to allow the benefit of the concessions provided for in clause (f) of paragraph 3 of the aforesaid resolution of Home Department in respect of criminal fines, would depend on the circumstances existing at the stage when it is known that the person concerned is either killed or disabled in action. If the circumstances then existing show that the fines have already been realised in the meanwhile in accordance with the relevant provisions of the Code of Criminal Procedure, there would obviously be no further scope for giving any relief in respect of the said fines in accordance with the said clause (f) of the paragraph 3 of the resolution. If, however, it is found at the stage that, for some reasons or other, the fines still remain unrealised and that the period of limitation of six years provided for by Section 70 of the Indian Penal Code has not expired, the concession in question may be allowed by taking recourse to the procedure of remission of the sentences of fine by the State Government by orders made under Section 401 of the Criminal Procedure Code.

3. As regards admissibility of the concessions as mentioned in your letter No. 490-Rev., dated the 10th February, 1964 to the persons in the Orissa Military Police, the Home Department Resolution No. 11323-Poll, dated the 14th May, 1963 read with the Resolution No. 9736-Poll., dated the 11th April, 1964 would indicate that the persons in the Orissa Military Police will be entitled to the concessions only on return from forward areas. The words "on returns" will obviously mean return to their normal life in the Orissa Military Police and not to their civil life. As regards the

persons who had retired from Military Service prior to the present emergency, no such concession are available to them as the concession are available only to those who are continuing in service after the present emergency or will join the defence service in future.

4. The Board of Revenue is therefore, requested to issue necessary detailed instructions, for implementing the concession granted to the Jawans at an early date as requested in this Department letter No. 57991, dated the 10th December, 1962 and ten copies of the instructions so issued may please be furnished to this Department.

CIRCULAR NO. 76275-R.

Sub : Facilities and concessions to beprovided to Jawans of Orissa who have served in forward areas– Procedure for reclamation of land allotted

Dated 15.10.1977

Sir,

I am directed to invite a reference to your office letter No. 2903-XIX-175/70-Rev. dated the 14th August, 1970 outlining the detailed procedure to be followed in the matter of allotment of land to the Jawans of Orissa. It has now come to the notice of Government that the applications of the Jawans for allotment of land are in most cases not being disposed of properly and expeditiously with the result that the Jawans who are to serve in the frontiers are put to unnecessary harassment by running to Tahasil Offices for getting allotment of land. The Jawans for obvious reasons, should not be treated on the same footing as private individuals since they cannot afford to leave the frontiers off and on so as to approach the concerned Tahasildars to expedite allotment of land in their favour. Government have, therefore, been pleased to decide that within a period of 3 months of filing the application, land should be allotted to the jawans failing which it should be incumbent upon the Tahasildar concerned to explain the circumstances under which the land could not be allotted.

2. I am, therefore, to request you to please issue suitable instructions to all the Collectors so as to impress upon the Tahasildars working under them the above decision of Government.

Dated, Bhubaneswar the 2nd August 1986

FROM

B. K. ROUT, O.A.S.,
JOINT SECRETARY TO GOVERNMENT.

TO

THE SECRETARY
BOARD OF REVENUE, ORISSA, CUTTACK

SUBJECT :- Clarification of allotment of land to ex-service men.

Sir,

I am directed to say that as per Home Department Resolution No. 11323 dated 14.5.1963 and No. 20827 dt.7.7.1969 Jawans who have served in the forward areas during the period from 26.10.1962 to 31.1.1964 are eligible for settlement of Government waste land up to 5 acres free of premium.

According to provisions in the O.G.L.S Act and Rules, Jawans as such do not qualify for settlement of Government land, Besides settlement of Government waste land for agricultural purpose with any one can not exceed one standard acre. So according to the O.G.L.S. Act and Rules made thereunder a Jawan as such is not eligible for settlement of agricultural land. Some Collectors have rightly expressed doubts regarding settlement of land with Jawans.

Since it is not possible for settlement of Government waste land upto 5 acres with the Jawans in terms of the aforesaid resolution of the Home Department within the existing provisions of O.G.L.S. Act and Rules thereunder Government after careful consideration have been pleased to decide that such settlement shall be made within the ambit of Government Grants Act, 1895, keeping in view the nature of concession as a reward.

Under Government Grants Act, 1895 sanction of Government land is to be done, by the Government. There would be considerable delay if all such cases are referred to Government sanction. In consideration of this difficulty it has further been decided that Tahasildars will be competent to settle land with aforesaid category of Jawans under the provisions of the Government Grants Act, 1895 conferring the status of a raiyat as defined under the O.L.R. Act , 1960

Sir,

I am directed to say that "Ex-Service men" as a special categtory has been included in serial No.11 of Schedule 2 appended to the Orissa Government Land Settlement Rules, 1983 for settlement of land. But till now nodefinition of Ex-Service men has been provided either in the O.G.L.S. Act or the rules thereunder. In absence of any definition the

Tahasildars are interpreting in their own way resulting in utter confusion. Pending suitable amendment to the OGLS Act/Rule Government have decided to adopt the definition of Ex-Service men occurring in Item No. 2 (c) of Government of India, Ministry of Home Affairs, Department of Personnel & Administrative Reforms Notification No. 39016/10/79-ESST (C) dt. 15.12.79 extracted below :-

2(C). SUBJECT :- Allotment of land to Ex-Servicemen under Orissa Government Land Settlement Rule, 1983.

Sir,

I am directed to say that instances have come to the notice of Government that Tahasildars are insisting on submission of eligibility certificate for consideration of allotment of Government land in favour of ex-servicemen. Such instance by the Tahasildar is apparently due to confusion of equating an ex-serviceman a jawan.

It is threfore clarified that Eligibility Certificate is needed in case of a jawan who served in the forward areas between 26-10-1962 to 31-1-1964 and is entitled to settlement of Government land upto 5 acres in pursuance of Home Department Resolution No. 11323/Poll, dt. 14.3.63.

In all other cases of ex-servicemen settlement of Government land shall be made on priority as envisaged in Orissa Government Land Settlement Act, 1962 and Rules made thereunder. In such cases no eligibility certificate is required.

Sir,

I am directed to invite reference to Home Department Resolution No.11323/Poll. dated 14.5.63 Resolution No.9736/ Poll, dated 11.4.64. and Resolution No.20827/ Poll dt. 7.7.69 and to say that lands to be assigned to Jawns under the aforesaid resolution were to be made ready for cultivation at Government cost. In practic however it has not been possible to reclaim the lands and assigned to the jawans in all cases.
