Sub: Resumption of Camp Courts in Tahasil.

Madam/Sir,

Revenue & DM Department has undertaken many e-Governance initiatives in order to enable Citizens to avail the services of Department from anywhere and anytime. Also, Department has reached doorstep of Citizens to deliver various services such as updated Record of Rights and various types of certificates through Rajaswa Rath. However, case disposal of various revenue cases require physical presence of different Stakeholders in Revenue Court as mandated by the extant rules. Camp Court was being held by Tahsildar/Additional Tahasildars prior to onslaught of Covid-19 pandemic for hearing and disposal of cases at the doorstep of Citizens. The practice of Camp Courts at different RI Circles, Gram Panchayats and Revenue Villages reduces the distance between Government Offices and Citizens, enforces good governance and puts onus on the Tahasils to deliver services within the timeline stipulated by ORTPS Act in a fair and transparent manner.

In view of above, you are requested to instruct Revenue Officials in general and Tahasildar/ Additional Tahasildar in particular to resume the practice of camp court **at the earliest, preferably from 15.09.2022, unfailingly**. All Tahasildars/Additional Tahasildars shall be instructed to hold Camp Court in 2/3 days in a week in their allocated RI Circles so as to touch every Gram Panchayat within their jurisdiction in every month. This will be reviewed by Nodal Officers of the Department assigned to various districts and also in **District Revenue Review**. This may be treated as **Extremely Urgent**.

Sub:- Steps to be taken to make the Revenue Field Staff deliver satisfactory public service in a transparent, efficient and time bound manner

Madam/ Sir,

As you know, the duties & responsibilities of the Revenue Inspectors, Assistant Revenue Inspectors & Amins weigh considerable significance in fulfilling the aims & objectives of the State Government so far as revenue administration is concerned. These employees are instrumental in extending services to the public in general & tenants in particular at the cutting edge of the Revenue Administration.

However, it is a matter of serious concern that, the Revenue field staff i.e. RIs, ARIs, Amins are sometimes not performing their duty properly for which a good number of grievance petitions are being received at the Government level regarding this matter.

A large number of allegations are being received from the public that, these field staff are continuing in one place for several years, keeping their

(P.T.O)

reports pending in mutation, conversion cases and not discharging their duties properly and efficiently. They are also being posted in their own Tahasil which is not proper for an impartial administration.

Instructions have already been issued vide GA & PG Department letter No. 27037 dated 24.09.2019 to all Collectors to review the services of staff and take appropriate action for premature retirement of non-performing/poor-performing field staff. You are, therefore, directed to review the status at your level and report to this Department regarding the action taken at your level in the the last 04 years.

The Revenue & DM Department in its letter No. 22801 dated 14.07.2017 directed that to maintain accountable, transparent and proper Administration, all the employees working in a particular office/ seat for more than 03 years need to be transferred. You are, therefore, directed to furnish a report of the staff who have not yet been transferred and continuing in a particular office for more than 03 years.

Besides, you should also take steps to instruct the Tahasildars to review & submit the quantitative achievement figures of all Revenue Field staff & take appropriate corrective and punitive measures to improve the situation & ensure a accountable, transparent, responsible and responsive Revenue Administration in the State.

Yours Sincerely,

04/11/2024

Madam/ Sir,

In inviting a reference on the subject mentioned above, I am directed to say that the Tahasils like Bhubaneswar, Cuttack and Sambalpur, which also contain Bhubaneswar, Cuttack and Sambalpur Municipal Corporations, encounter enormous challenges in delivery of public services due to their vast area, increasing density of population and multitude of public services to be delivered to the vast no. of citizens. Keeping in view of the above aspects, Government have been pleased to decide for creation of 4 Tahasils by way of creation of 2 (two) new additional Tahasils by dividing existing Bhubaneswar Tahasil, 1 (one) new additional Tahasil bifurcating Cuttack Tahasil and 1 (one) new additional Tahasil bifurcating Sambalpur Tahasil.

You are, therefore, requested to submit a detailed proposal for creation of new Tahasils with proper justifications along with the proposed location of new Tahasils, the name of the R.I. Sub:- Monthly Remuneration to Outsourced Employees- clarification

I am directed to say that Resolution No 7982/7.3.2024 has been issued by GA & PG Department prescribing the enhancement of monthly remuneration of the outsourced employees which will be paid to the Service Providing Agencies (SPA) for subsequent credit to the account of the outsourced employees.

Some confusion has come up with regard to applicability of the above Resolution. It is clarified that:

i) The Resolution No 7982/7.3.2024 of GA & PG Department is applicable to the outsourced employees who have been engaged by the SPA on signing of annual agreement with the SPA and Government.

ii) The remuneration was earlier paid to such outsourced employees through SPA as per Finance Department Letter No 30722/6.11.2021. As per the latest Resolution issued by the GA & PG Department, an increase of 25% on the remuneration of 2021 along with experience based enhancement has been allowed.

iii) Some outsourced employees are receiving remuneration at a rate which does not fit to the revised remuneration fixed by the FD in their Letter no 30722/6.11.2021. Such outsourced employees will also not fit to the slabs fixed by GA & PG Department now. In such cases, the revised remuneration will be calculated by enhancement of 25% on the existing remuneration and will be fixed at the nearest higher slab as per the new Resolution of GA & PG Department.

iv) This revised remuneration shall not be applicable to the daily wage employees, NMR, DLR who are paid remuneration as prescribed by the Labour & ESI Department. The wages of such labourers is fixed and enhanced by the L& ESI Department basing of the type

of workers (Skilled, Semi-skilled or Unskilled). Hence L & ESI Department will take appropriate steps for enhancement of wages, if required, as per rules.

v) The employers' contribution towards EPF and ESI for personnel outsourced through service provider will be reimbursed over and above the amount of consolidated remuneration subject to satisfactory proof of such contribution made.

vi) This revision will be effective from 01.02.2024 uniformly for all existing outsourcing contracts as well as new contracts after 01.02.2024. The existing contracts may be modified accordingly.

vii) GA & PG Department may be consulted for clarification on any doubts in this regard.

General Administration & Public Grievance Department

Dated the 07th March, 2024

RESOLUTION

****

Demands have been raised by various Service Provider Agencies to enhance the remuneration of the manpower provided by them to the Government from time to time, since the cost of living has been increased manifold in the meantime. It has been demanded by them to link the remuneration to the experience of the manpower, a mechanism for their grievance redressal, timely release of payments etc.

The remuneration of the Service Provider Agencies was last revised in November, 2021 vide FD Letter No 30722/6.11.21. Considering the demands of the Service Provider Agencies and the present cost of living, Government have been pleased to enhance the monthly remuneration to be paid by the SPAs with the conditions as enumerated below:

1. **TIMELY PAYMENTS:** To ensure timely payment of wages, the billing cycle is proposed to be operative from 21st of every month to the 20th of the succeeding month. Absentee Statement shall be generated by user agency/office latest by 21st of the month. The SPA shall submit the bills within the 23rd of each month. The Hiring Authority shall be under obligation to ensure passing of bills by 26th of the month and release of wages to the SPA latest by 28th of each month. The SPA shall be responsible for transfer of wages/remunerations within the next 48 hours and not later than the last day of every month. The timelines for billing cycle are given in the table below for better clarity:

TABLE -1

ACTION	PRESCRIBED TIMELINE	RESPONSIBILITY	ACTUAL DATE OF COMPLIANCE
Date of submission of Absentee Statement	16th day of the month	Controlling Officer/ Branch Head to Establishment Officer	
Submission of Bills by the SPA	20th day of the month	Service Provider Agency

7/3/24

2. **GRIEVANCE CELL:** All the departments shall create a grievance cell to attend to the complaints of the Outsourced person/ Service Provider Agency. An Officer, not below the rank of a Group A Officer of the department shall be designated as Grievance Officer of the cell and his phone number and address should be made available to all outsourced persons / SPAs. The Grievance Officer shall call both the parties and reconcile the disputes. In case it is established that the Outsourcing Agency has committed any serious violation, action in accordance with rules shall be taken by the Concerned Authorities. A standard format for grievance shall be prescribed by GA & PG Department for submission of grievance by the petitioners.

3. **MONTHLY REPORTING & REVIEW:** The officer responsible for Office Establishment dealing with payments to Outsourcing Agency shall submit a monthly report in the prescribed format (TABLE -1) within the first week of every succeeding month to the Head of Office, who shall review the performance in this regard and keep a record of same.

4. **"THE ODISHA OUTSOURCED EMPLOYEES OMBUDSMAN":**

State Government shall set-up the "Odisha State Outsourcing Employees Ombudsman" (Here-in-after referred to as Ombudsman), which shall serve as a dedicated platform for addressing concerns and ensuring a fair and transparent environment for both employees and employers involved in outsourcing of manpower and services to State Government offices and its agencies. The purpose of this "Ombudsman" is to provide a neutral space to resolve disputes, facilitate open communication, and uphold the rights of all parties involved. The primary objective of the Outsourcing Employees Ombudsman is to establish a framework that promotes fairness, transparency, and effective conflict resolution within the context of outsourcing. This shall create a neutral and impartial platform where both outsourced employees and employers can address concerns, resolve disputes, and ensure that the rights and interests of all parties are protected. Through open communication and collaborative problem-solving, we strive to foster a productive and harmonious outsourcing environment that benefits everyone involved. *(Separate Rules shall be framed by GA & PG Department for governing the selection, powers, functions, service conditions, remunerations etc. of the Ombudsman).*

5. **TIMELY DEPOSIT OF STATUTORY DUES:** All Statutory Dues payable on account of the Outsourced employee shall be deposited by the SPA, well within the legally prescribed time and documentary evidence of same shall be submitted along-with the bills of subsequent month. If any SPA fails to deposit the statutory dues, it shall be liable for penal action as per law, in addition to including cancelation of their license by the Competent Authority, cancellation of contract and blacklisting following the principles of Natural Justice.

6. **MATERNITY LEAVE:** The SPA can claim Paid Maternity Leave in case of lady engage subject to a maximum of 4 months (120 days) for first two issues as per eligibility.

7/5/24

7. **ENHANCEMENT OF REMUNERATION:** Demands have been raised by the Service Provider Agencies for enhancement of remuneration in relation to the increase in cost of living and commensurate to the experience gained by the manpower provided. The Service Provider Agencies have signed an agreement with the State Government Departments for providing manpower and are governed by the terms of agreement. However, it is correct that the cost of living has been rising mandating increase in remuneration as also the fact that remuneration ought to be in relation to experience gained.

After examining the cost of living and considering the demands and keeping in view the principles of remuneration commensurate to the experience of the manpower provided, State Government is pleased to announce enhancement of remuneration as per the TABLE - 2 below:

TABLE - 2

Therefore, this demand may not be acceded to. Therefore, in future, whenever, fresh tenders are invited and agreements are made, the minimum rate of Service Charges as prescribed by Finance Department shall be the basic minimum which any Manpower Agency can quote. Any rate less than the minimum shall not be accepted.

9. DEVELOPMENT OF SOFTWARE APPLICATION:

Sub:- Instruction regarding supply of certified copy of the order of Revenue cases.

Madam/Sir,

In inviting a reference to the subject cited above, I am to say that Hon'ble High Court has expressed displeasure in W.P(c) No. 25031 of 2024 regarding non-production of certified copy of the order of Mutation cases within a reasonable time by Tahasildars of the State.

It is pertinent to mention that under Paragraph 344 of Orissa Records Manual, 1964, " (1) The time for supply of information required shall not, without the special orders of the Officer-in Charge to be recorded in writing in each individual case, be later than half an hour before the closing of the office on the 3rd working day after presentation of the application, the day of presentation being excluded."

Further Paragraph 346 prescribes that "When application may be rejected- Application in respect of which the information or copy cannot be given for any reason to be recorded in writing shall be rejected."

While issuing certified copy of the old revenue records, enough caution is to be adopted to ensure that no copy of any manufactured/fraudulent case record, which is either misplaced / non-existent, shall be issued with a view to stop certain unscrupulous litigants/ entities from taking undue advantage of manual record keeping and grabbing of Govt. land as well. In this regard Department

has earlier issued an instruction vide letter No 43202, dated 15.11.2023, which shall be meticulously followed.

You are, therefore, requested to instruct the field functionaries to provide the certified copy of the order of Revenue cases within due time limit as prescribed in Orissa Records Manual, 1964.

Any deviation in this regard will be viewed seriously and disciplinary action as deemed proper shall be initiated against the erring officials.
